

UCSF Benioff Children's Hospital

**CHILDREN'S HOSPITAL
& RESEARCH CENTER OAKLAND**

The affiliation between UCSF Benioff Children's Hospital and Children's Hospital & Research Center Oakland promises to provide better health care value through higher-quality care, lower costs and more coordinated access to services at hospital locations on both sides of the San Francisco Bay.

Combined impact of the two hospitals:

Among
Top **10**

largest children's health
care providers in the coun-
try when the UCSF Benioff
Children's Hospital opens in
Mission Bay in 2015

Largest
